"'Territory of Hawaii.
"'Department of Public Works. "'Honolulu, April 8, 1911.

"Sir: In reply to your request for further information in Item 4 of my communication of March 16, in reference to wharves, Honoiulu harbor, I have the honor to submit for your con-

sideration the following:
"The harbor lines are established by tabled, declaring that the course of instruction is all right. The report, however, is signed only by Chairman Long and Williamson, while a majority of the committee—Affonso, Huddy in the inner bulkhead line. The harbor lines are established by the United States government. Generally two lines are established—the outable of harbor lines are established by faith is possible. "Shall I tell you what is better than fasting, alms and prayer? A friend the inner bulkhead line. The harbor lines are established by faith is possible. the inner bulkhead line. The harbor line, or pierhead line, defines the limits in the harbor to which any wharf may be extended. The bulkhead line is a line which limits filling or solid

> the two wharves belonging to the Oanu Railway and Land Company, and the Hishop wharves and slips owned by the Inter-Island Steam Navigation Company. In both these cases the owners of this property were within their rights in constructing the wharver to the pierhead line. The Allen & Robinson company owns certain lands supposed to be fronting on the harbor and claims dockage rights or waterfront privileges, and has exercised this claim for a long period of years. The Super intendent of Public Works, however questions their title and is preparing the necessary information so that he may place the matter in the hands of

the Attorney-General.
There are no agreements existing between the Oahu Railway & Land Co., nor the Inter-Island Steam Navi-gation Company, whereby any of their improvements may be purchased by the Territory of Hawaii. The property upon which is located the Marine Rallway is owned by the Bishop Estate under lease to the Territory of Hawali, which lease expires in 1931. The rail-way and lands are sub-leased by the Territory of Hawail to the Inter-Island Steam Navigation Company. Very truly
